

Extended Pressure Gun

F110-P LONG REACH WITH VARIABLE ANGLE HEAD

1 METER

The F-110 1m Extension Spray Gun with fully variable head.

The head can be rotated **360** degrees simply by loosening the base nut.

Besides the head rotation, the head angle can be adjusted from +90 degrees to -90 degrees.

The air and paint are fed separate which enhances compactness and durability.

For use with remote pressure feed pots/ tanks & diaphragm pumps.

Each gun is individually tested in the factory prior to shipping.

Model Number: F110-PXC13P

Nozzle : 1.3 mm

Air Cap : 13

Extension : 1000 mm

Max Effective Spray Pattern : 220 mm

Spray Pressure: .25 MPa / 36 psi

Paint Inlet Connection: G 1/4

Air Inlet: G 1/4
