

SMART Repair Gun

Finer SPOT

The Meiji Finer Spot is a lightweight well balanced gravity gun. Ideal for SMART repairs .

Excellent atomizing performance at low pressure [22 psi] and an air consumption of only 2.3 cfm.

For the size of the gun the 190mm fan size is remarkable

Extremely light weight at 167 grams

Model Number: FINER SPOT G-12

Nozzle : 1.2 mm

Side Cup : 150 ml 1G-2 [Supplied]

Max Effective Spray Pattern :190 mm

Spray Pressure: 0.20 MPa / 29 psi

Air Consumption cfm: 2.3

Air Inlet: G 1/4

Paint Inlet : 1/4 Female, R-Angle 19 Thread BSP, Side Cup Mount

PPS / SPS Adapters (Not supplied / manufactured by Meiji)

Etalon : SPS System No.20
Etalon Code:ET/ADT-SPS-A20
3M PPS Series 1: No.10

3M PPS Series 2
TYPE: S10
3M Code: 26017
